have you thanked a plant today?

that come from plants (hint: there are at least 22 things):

Look around your own home. On the back of this page, list as many things as you can think of in your home that come from plants.

Could you live without plants?

box, violin, cushion, tea, toys. Walls, furniture, cotton t-shirt, jeans, basket, yarn (cotton, linen or silk), rubber tires, rubber hocke, apirin in bottle, wooden building blocks, etter and envelope (even the glue on the envelope!), wooden sandals, chocolates, jelly, crayons (coloured pigments and paper), curtains, box violin cushion tea toys

is the word "Biodiversity".

Can you find it?
