Edinburgh

Mark Paterson has trained at a series of botanic gardens and worked in horticulture for the past 26 years. While at the Eden Project he was directly involved in helping deliver and build the CPH with Laura and the RBG Edinburgh team. Mark has also helped deliver the CPHIA at Queen Sirikit Botanic Garden in Thailand. As Curator of Cruickshank Botanic Garden and a qualified teacher, lecturer and horticulturist Mark remains both keen and passionate in the teaching of horticulture.
